

THE AMERICAN RECOVER AND REINVESTMENT TAX ACT OF 2009

Qualifying Energy Product

Endurance 50F

Fahrenheit Technologies hereby states that the Endurance 50F bio-mass furnace/stoves exceeds the Thermal Efficiency rating of 75%. Therefore, the Endurance 50F is a “qualified energy product” as stated in § 25C of the Internal Revenue Code, “Biomass-burning stoves” section.

Given On This Day,
July 15, 2009
